CANECT 18

EXHIBITOR PROSPECTUS

Why you should exhibit

Conference delegates are a high-quality audience of senior people responsible for environmental engineering, regulations and compliance issues.

CANECT 2018 is designed to be a high-quality opportunity for you to promote your products and services and network with existing and potential clients.

Proudly presented by:

***Environmental
& Science
& Engineering***
MAGAZINE

CANECT18

Thank you for being an exhibitor at CANECT, which has been the leading event of its kind in Canada for the past 25 years. I wanted to personally let you know about some major changes we have made for CANECT 2018 which will take place on May 8-10.

What's new

We are relocating CANECT to the Venetian Banquet and Hospitality Centre in Concord to provide the following benefits to exhibitors and attendees:

- A more comfortable experience for conference attendees and exhibitors.
- All refreshment breaks and lunches now hosted in the exhibit hall.
- Improved networking opportunities with conference delegates.
- Convenient location close to Highways 400 and 407, as well as hotels and restaurants.
- Free parking.
- Visit www.thevenetian.ca for more information.

Reserve your booth now

There are a limited number of booths available for CANECT18, so I encourage you to book early. See the floor plan on page three. For the first time, we are pleased to offer each exhibiting company the following as part of their booth package:

- Full conference registration
- Two chairs and table (booth carpeting not required)
- WiFi
- Electricity
- One meal ticket per booth per day

I hope you will join us at CANECT18 for Canada's premier environmental conference and tradeshow. Call or email me to reserve your booth space.

MEET YOUR NEXT CLIENT AT CANECT18

KEY BENEFITS OF EXHIBITING AT CANECT

- ★ Complimentary conference registration
- ★ Enhance your company's profile with key decision-makers
- ★ Generate qualified leads for your sales team
- ★ Accelerate your sales cycle
- ★ Network with existing and potential clients
- ★ Showcase and launch your new products and services
- ★ Give hands-on demonstrations
- ★ Build and enhance customer relationships
- ★ Gain valuable industry information
- ★ Face-to-face interaction with prospects
- ★ Earn CECs and attend training seminars

WHAT OUR EXHIBITORS ARE SAYING

"We have found CANECT to be very beneficial, and have been exhibitors/sponsors for many years. The show offers an abundance of new technologies, access to resources, networking contacts and more. CANECT is great for the new person, or the veteran and it allows us to meet and gain new clients." –Team-1

"Exhibiting at CANECT has proven to be an extremely valuable vehicle for us to generate awareness and education regarding our unique odour control solutions. The contacts and contracts that were generated from the CANECT show have boosted our business, and the return on investment has been sizable. This is a very well organized show." –SCICORP

"We have found exhibiting at CANECT to be a very effective marketing opportunity for lead and sales generation. Exposure to attendees creates personal access opportunities, which otherwise could take a year of visits to achieve." –Drain-All

"When you get everyone across the industry in one place, then we can manage to be here at the right time for somebody." –ACG Technology

"The benefit and features of CANECT over other shows that we have done is that you have educated people here who actually do the job on a daily basis. You are learning directly from their experiences, as well as their knowledge and their education." –Spill Management

"Since CANECT caters to environmental services and our technology is widely used amongst that job description, it makes sense to exhibit." –Hydroxyl Environmental

"We find that we are able to talk to our clients and our suppliers face-to-face. This helps build relationships that help us grow and be successful." –Quantum Murray

WHO SHOULD EXHIBIT

Manufacturers, distributors, suppliers and companies from the following areas:

- Air pollution control
- Analytical laboratory
- Cleantech
- Confined space entry
- Consulting engineering
- Containment
- Decontamination systems
- Emergency response
- Energy conservation
- Environmental auditing
- Filters
- Groundwater treatment
- Hazardous waste treatment
- Health & safety
- Instrumentation & control
- Legal services
- Liners/geotextiles
- Noise & vibration control
- Oil & water separation
- Protection/safety equipment
- Pumps, pipes, valves, fittings
- Recycling
- Renewable energy
- Site & soil remediation
- Spill control & containment
- Software systems
- Stormwater control
- Tanks & storage
- Transportation services
- Wastewater treatment
- Waste disposal
- Water treatment

SPONSORING CANECT18

By becoming a CANECT sponsor, you can maximize your pre-and post-show recognition beyond the show audience, while increasing the effectiveness of your booth during the show. We are offering a comprehensive sponsorship package. In addition to this package, other sponsorship opportunities are available.

SPONSOR \$2,500

YOU RECEIVE:

- ✓ Exhibit booth
- ✓ Full-page ad in CANECT proceedings
- ✓ 100-word company description with logo in the exhibitor listings section of the Show Guide
- ✓ Company logo & booth number on welcome signage
- ✓ Company logo on delegate bag
- ✓ Company logo & booth number on all sponsor banners
- ✓ Literature distribution
- ✓ Two complimentary conference registrations
- ✓ Post-show registration lists

ADDITIONAL SPONSORSHIP OPPORTUNITIES:

- ✓ Refreshment breaks (four available)
- ✓ Lanyards (one available)
