Employer Approval Tips for CANECT West

The CANECT West Environmental Compliance and Due Diligence Training Event is a valuable continuing education opportunity for anyone responsible for environmental protection or compliance — and we encourage you to attend.

To help you prepare your request for employer approval to attend the **2026 CANECT West event**, here are some useful tips and key information:

Professional Development Recognition

- Attending CANECT West qualifies as a "Formal" Continuing Professional Development Activity for the **Association of Science and Engineering Technology Professionals of Alberta (ASET)** CPD program.
- **Applied Science Technologists & Technicians of British Columbia (ASTTBC)** registrants can claim CPD hours for attending conferences relevant to their practice and registration under the Technical Training category.
- CANECT West courses may also qualify toward Continuing Professional Development activities for other professionals, including **Association of Professional Engineers and Geoscientists of Alberta (APEGA)** registrants, and other professional organizations.

Registration Discounts

- **Association & Past-Attendee Discounts:** Discounts are available for members of CANECT partner industry associations, as well as for past attendees.
  - View association partners here: canect.net/#sponsors
  - Contact Peter Davey to learn more: peter@esemag.com
- **Group Savings:** Register with colleagues to take advantage of generous group pricing discounts.

Event and Learning Benefits

- **Practical Course Selection:** Choose courses that align with your responsibilities and help you stay up to date on regulations, enforcement trends, compliance strategies, best practices, industry developments, and emerging technologies.
- **Direct Access to Experts:** Meet one-on-one with leading experts in environmental regulation, compliance, and due diligence to address your organization's specific questions.
- **Comprehensive Learning Materials:** Attendees receive course books containing presentation slides, speaker bios, and additional reference resources (where applicable).
- **Networking Opportunities:** Build connections with industry peers, government representatives, regulators, consultants, contracting companies, and legal experts.

Additional Information
